The Premises:

Gigi lives in a nice, compact, one bedroom flat just off Edgware Road, near to Marylebone station. It has a large bedroom a clean shower and bathroom. She has lots of mirrors, a sofa and a big bed. It is perfect for the occasion.

The Lady:

Pretty, short, perhaps a bit fuller than other Asian girls, but very nice nonetheless. She has nice implants which make her nipples very pointy. She has a pretty smiling face, and was very friendly and welcoming.

The Story:

After the paperwork was sorted out. Gigi got straight down to business with a long, deep, sloppy and loud blowjob. She knelt in front of me and moved us towards the mirror, licking and sucking my balls as well. It was very horny.

We then moved on to the bed and she continued with oral and I returned the favour, Gigi pulled out a big toy for me to use too. She said she wanted to learn anal, so I slowly and gently put my fingers inside her and she squirmed on the bed in pleasure.

I put on the condom and Gigi asked for A-levels which she did very well, it was obvious she is inexperienced but she was very willing to learn and did very well, getting fully into it after a while.

We moved onto the sofa and played for a while there and back over to the bed. Gigi did all services, her rimming was excellent and more of her very naughty OWO.

I get the impression, after talking with her, that she is overlooked sometimes by the punters but she should be a popular girl, she is pretty, friendly and sexy and does an excellent service - perhaps more GFE than PSE. She also told me she duos with her friends, one of them is named Foxy. So I will be back to try that.

Highly recommended, and thanks to Maria at the agency for arranging everything so well.
