### The Premises:

A bit grotty, room could do with being totally refurbished and refurnished.

### The Lady:

young Spanish girl (brunette) probably in her 20's, big boobs.

### The Story:

Totally awful experience, I didn't expect much but I didn't get much (if anything at all).

She had no personality, no interest and the word she seemed to know best was 'No'. She started by asking me what I wanted, so I asked what she offered...well I was totally bemused since she only offered a basic service. She didn't do OWO, she let me kiss her breast as long as I didn't suck as she's sensitive, but at the first kiss she told me to stop as she didn't like it.

To crown things off she would only do doggy position, then she pounded back on me, wouldn't stop and it was all over ahead of time. No pleasant company, no enjoyable experience, a lump of latex has more appeal, sorry but it does!

Horrible girl, horrible waste of time, horrible waste of money and horrible experience. Wont ever go back since Sandy's Superstars is only an extra 15 pounds and an experience like this helps you appreciate why its little extra to pay.

At least at Sandy's you don't need to use google translator either!
