The Lady:

Crystal is a curvy mixed brazilian lady, late 30s. Good looking (I certainly fancy her), big boobs, very sexy and laid back. Has grown (or got extensions) her hair back long, black.

The Story:

Crystal has been the closest thing I have to a regular punt, but since I moved out of london, not seen her in a while, and I think the last few times I had seen her she'd presumably taken extensions out. which did not work for her. However, she has them back, which blew me away. She has always been friendly, chatty and pretty damn filthy. I asked her about whether she would offer a rimming service, which she flirtily agreed to. As always her oral skills are great, and she's a damn good fuck too, went through a number of positions. And as it turns out she's really good at licking arse. Top woman. Was like meeting up with an old friend. And she has incredibly fuckable boobs on top of all that. Making me hard thinking about it again. The only downside was she was rushing, so I was out in 45 minutes. Which suited me somewhat that day.
