Amanda does look like her photos although a few years old new ones due shortly which will show how beautiful she is. She is a tall polish blonde in her early twenties with a wonderful slim figure and natural boobs, she speaks good english and has great sense of humour.

The Story:

This was my second visit as I had to go back and see whether I had simply imagined how good the first visit was. Arranged through Abbey 69 who arranged both visits very effeciently. I paid extra to have the A level service as well and I am so glead I did it was fantastic in fact all the advertised srvcies were delivered not just in a professional manner but in a real loving sexy way , in short this lady loves sex and if you treat her with respect she will repay you with one great experience. Testament to that was that on both occasions she made me come 3 times not bad given my advancing years. Cannot recommend highly enough. Amanda if you read this thanks again and your sex machine will be back for more soon. Geoff
