The Story:

I was wowed by her looks... and she was complimentary about mine...which always helps a "mature" gent suck his middle in and puff his chest out that little bit more. This girl is Spanish, has a sharp sense of humour and the best blow-job lips. We laughed, we kissed and I dissolved when she took me in her mouth; well not literally obviously, or that would defeat the object! In fact my hard-on was SO hard, even I was surprised. She really is that lovely. She responded willingly to some RO. We had lovely sex in mish and cowgirl and I filled my rubber almost to overflowing. Thanks Julia. I shall return. XXX
