The Premises:

The well-known Chelsea Cloisters. Small but smart studio room.

The Lady:

Disappointingly the photos look as though they were taken a few years ago. Still, a slim reasonably attractive woman in her late 20s albeit no longer the fresh faced babe in the pix.

The Story:

Most enjoyable. A genuinely open minded lady (cf my recent encounter with Jada) with nothing I wanted off limits. Very much a GFE. Definitely recommended if you can get past the initial mild disappointment.
