The Lady:

Maya is 5.1 tall and a perfect size 8 Asian goddess. Her pictures on the website are great but wait till you see her you won't be disappointed.

The Story:

Maya arrived on time and dressed immaculately. You'll know the instant you see her you've made the right choice with this girl. She has the most beautiful eyes and cuties smile, they really hide how insatiable this girl is in the bedroom, but more about that later.

We chatted for a little getting the pleasantries out of the way then it was straight to it. Maya couldn't wait to get started and before I knew it she was stood before me in the most perfect matching underwear. This girl has really got to be seen to be believed.

We kissed softly to begin with and my hands moved slowly over her body. Now for anyone that's seen escorts on adultwork in the past will know most are very disappointing. They really live up to expectations and very really do half the things they say they will. Maya is the complete opposite, from my first touch she responded like I was the only guy in the world. She is the best GFE I've ever encountered. By the time we were naked she was practically begging me to fuck her.

Now guys the more you give the more you'll get in return with this girl, she loves her nipples being sucked and just wait till you go down on her she really does love it, not to mention she let me rim her perfect little arse, which again she loved.

When it comes to sex this girl really can't get enough and gets carried away very very easily, like I said the more effort you make the more she gives back. Pretty soon my GFE was turning into a PSE she doesn't hold back and isn't afraid of letting you know what she wants. We fucked in almost every position I could think of and a few more, not to mention 69 and rimming. I'm not going to go into too much detail of what we got up to as I believe something's should stay between us.

I lost count of how many times Maya cum, but once I did she was on a mission to get me hard again.

After we cuddled and kissed and chatted about things, Maya is very open and chatting with her you'll quickly forget you with an escort.
She really is the best escort I've seen, she loves sex and is a must for anyone that wants more from their GFE.
