The Story:

I was first client of the day. Cindy arrived shortly after I contacted her dressed in white pedal pusher trousers and white top showing plenty of her magnificent tits. We chatted as we undressed together and had a stand up session of French kissing whilst I played with her nipples and she played with my cock. She lay me face down on the bed and massaged me from shoulders to calves whilst we were chatting. She turned me over and massaged my cock and then joined me on the bed. I sucked her rock hard nipples whilst massaging her clitoris and as she massaged my cock. I brought her to a shuddering climax which is a joy to see (I have seen it several times). I then went down on her and licked her clit until she was ready for the cock, She placed a durex on my cock and raised her hips to meet me as I entered her. Lovely slow fuck and we both climaxed together. We chatted as we cleaned up and I left after Cindy checked that my departure would be discrete. What a lady!!!!
