Discreet entrance. Apartment was smartly decorated and clean. 2 larger mirrors in bedroom. Felt safe.

The Lady:

I have visited quite a lot of ladies in my time and experienced a lot of variety...., but I can quite honestly say that Gemma is simply the most stunning of them all.

The only difference between her profile pictures and reality is that I'm reality she had her hair tied up.

Very pretty girl of 25, tall (taller than me when wearing her heels) very slim' magnificent natural breasts, toned, and wonderfully slim with not a single ounce of fat anywhere on her perfect physique!

Absolutely, totally beautiful!!!

The Story:

Gemma walked into the room and introduced herself wearing nothing but sexy underwear, high heels, and a lovely smile.

Right from the offset she was very friendly and chatty (but not overly so), and instantly put me at ease.

We spent the first 5 minutes simply standing alongside the bed kissing and exploring each other's bodies with featherlight fingertip touches..., very gentle and sensuous kisser is this lady.

Before long, we'd stripped off and laid on the bed. I worked my way down her magnificent physique in order to taste her. This I did for quite some time, and changed my technique a few times before finding the one that had the desired effect on Gemma. From there it was just a matter of minutes for her passion to build into what felt to me like a huge orgasm with her thrusting herself forward into my face before she exploded, and then shuddering up and down as she became incredibly sensitive post orgasm!

I worked my way back up to her lovely face which was tilted back on the pillow, eyes closed, with a very contented smile on the lips. I then spent some time gently stroking her face before she slowly opened her eyes and said "Thank you"..., how! nice of her to do that!

I then laid back while she returned the favour for me by talking me in her mouth and using fabulous

technique, soon had me on the very brink. I told her this as I pulled up back up to me, as she doesn't do cim

Condom on, and we moved onto love making in missionary. She was still very wet from her orgasm, so no lubrication was necessary and I could feel her very firm grip around my length.

It was not very much longer before I could hold on no longer and experienced an incredible, heart stopping release!

Gentlemen, this beautiful, fabulous woman is no "working girl", she's a lover! She may singlehandedly be responsible for me hanging up my punters gloves as I can see no way of exceeding the perfection tap is Gemma!
