The Premises:

Nice clean flat with large room and a small but adequate bath(room) in a quiet terrace just off Edgeware Rd. Safe and discreet.

The Lady:

It is a cliché to claim that the lady you will meet is prettier than the pictures. The reality is that for many of the photo-shopped ladies on the Asian sites, the woman you meet is older and more asian than the smoothed portraits. The Aishia invasion site has selfies however! Those of Foxy really do give a good idea of who you will meet, a very beautiful petite little cutie, but with sexy curves.

The Story:

Foxy is a great GFE, wildly willing and naughty, (anal not included) rather than the full on PSE. It can be fun visiting somewhere with a full menu of very spicy options, but it has been nice to return to someone who is willing to 'cook things up' to your own recipe! VERY good gentle and sensual massage, OWO and fucking, and just a hint guys, if you like your companion to enjoy things as much as you, try going v-e-r-y slow!

Real feminine beauty, a gentle and sensuous touch and a capacity for mutual pleasure. Highly recommended.
