The Lady:

This is my new Doutzen Kroes lookalike. At least when her hair is down. And a body to match. You can't help but think you're banging a Victoria's Angel !! LOL. She should really be modelling. Photos are pretty close.

The Story:

When I arrived she wasn't quite ready and asked me to wait, but once inside she was warm and accommodating. She was pretty quick though to get down to things. I couldn't figure out at that point if she was just eager or wanted to get it over with. There was no FK which was a bit disappointing. I like to take my time and FK is great foreplay for me. But there seemed little in the way of deep FK on offer, and she was quick to get me on the bed and once I was really hard she had a condom on me before you could say "BJ". She rode me to begin with then wanted to change a do doggy which we did. Because of the "rushed" start I wasn't really ready so we finished with her giving me a handjob. Having said that she was pretty deft with her hands and it was a very pleasant experience. Despite the rushed start we then lay on the bed chatting for some time about fashion, lingerie and all sorts. She's a great girl to talk with and she knows she looks like Doutzen! But she has great body. I may re-visit at some point and take things more slowly with her. Frankly though when she's on top of you and those breasts are bobbing up and down and she's moaning like she really is enjoying it, it doesn't get better than that ! After we chatted for a while and I learnt some more about her. A great girl with a very fit slim body, and next time I will take more charge of things and take my time enjoying her !
