The Premises:

Very nice place on a quiet residential street between Baker Street and Marylebone.

The Lady:

Far better than the photos on the website portray, Heineken is a small, slim Thai girl with great curves and an infectious smile.

The Story:

I don't know where to start but wow is all I can say about Heineken. Sex just comes naturally to her and she took the lead and really satisfied me. She took the full length of my cock all the way in her mouth sucking it vigorously. The sex was intense and she got soaking wet which turned me on immensely. Finished with some anal which she had no problem taking and I completed my time feeling highly refreshed! Upon leaving I bumped into what I thought was a girl in the corridor but it was a ladyboy who Heineken stays with. She made a joke that maybe I should try as they can work together, and while she looked amazing I'm not going to go that way! Anyway, Heineken is a great girl, sexy, fun, and I thoroughly recommend her!
