### The Premises:

KSG is a very good clean and comfortable parlour in Didsbury with a very discreet entrance via side road.

### The Lady:

Candice is a stunning Caribbean lady in her mid-twenties, she's very good looking, with long hair and has a fantastic curvy figure with gorgeous full natural boobs. In her heels she stood at about 5'9" and her photos do not do her justice.

### The Story:

After I had showered Candice entered the room wearing black lingerie, stockings and high heels and I knew immediately I had made the right choice.

She was very friendly and greeted me with a kiss and I was hard and ready even before Candice started a very sensual massage as I lay on my front and the next hour passed in a blur of hot and steamy sex. After she finished the massage I undressed her to enjoy her superb smooth skin and a spot of reverse O which I loved and she seemed to enjoy too. After that Candice performed O on me and it was superb and I needed all my will power and a short break to stop myself finishing too early.

What followed was a fantastic hot and horny session of sex in a variety of positions made even hornier as I watched our reflection in the wall mirror, culminating with Candice riding me reverse cowgirl on a leather armchair in the corner of the room.

I was left tired out, and after a chat afterwards left thoroughly happy and will definitely see her again.

I would definitely recommend Candice.
