The Premises:

This modern flat was located near to Tower Bridge. It had a very discreet, intercom entry.

The Lady:

A petite size 6 Romanian girl with 34b breasts and a lovely, small bum.

The Story:

This wasn't my intended punt; the one I had booked didn't answer her phone and I was stranded by Tower Bridge Road. Thanks to modern technology in the form of a smartphone I made alternative plans. Bianca's flat was nearby and I really enjoyed seeing her. Firstly, her flat was in a modern complex and secondly Bianca herself who had a lovely, slim figure.

The session started with me enjoying sucking her breasts with large areolas. She then gave me covered oral and following that she asked what position I preferred. I opted for doggy with me standing. I was relaxed and in control and could have lasted longer, but I upped my pace and exploded inside her after maybe 3 or 4 minutes.

Bianca was a lovely girl and her English was excellent. We ended our session by discussing the World Cup!
