### The Premises:

London Retreat well renowned for fetish and traditional services, well kitted out and very professional and friendly whilst being very clean and tidy.

### The Lady:

Helen is a Kiwi with a cute accent and very fit and pretty and just like her photos on site.

### The Story:

Helen was very friendly and took on board exactly what one wanted. She was also very good at judging at what level of punishment was required. In my case this was hard ballbusting, fisting and slapping which she dealt out in a no nonsense approach. I highly recommend her!
