The Premises:

Smart Flat but beware you have a steep climb up four flights of stairs to reach it. There is no lift in the building. Parking in central London not really feasible and I think I saw signs saying it's residents only even if you could find a space. However is close to tube and paddington mainline station

The Lady:

Six ladies of various shapes, sizes and nationalities. Ages varied from early twenties to early thirties All were pretty and friendly. There had different limits regarding kissing and finger use. Oral was without but penetration was always protected as you would expect and want

The Story:

This review has two threads, first the good points

- a) good communication in arranging booking
- b) smart clean flat
- c) friendly pretty girls

Second the bad points

- a) advertises 7 ladies but only 6 were there working
- b) advertised as two hour party starting at 7pm although guests and girls were waiting in kitchen for party to start at 7pm we were not called out of kitchen to start party til nearly 7.10pm according to the clock on the kitchen wall.
- c) the flat has three bedrooms but we were only allowed to use two which made it a bit cramped on the beds at times at times
- d) even worse we were all ushered into one bedroom when the party still had over 30 mins to go by the lady in charge (I think her name was Barbara) there was no sign of Lady Marmalade at the party
- e) the lady in charge kept shouting out time to end of party, it gave the impression she wanted you to hurry up and leave

So in summary playtime was good but you do not get what is advertised so if you do not mind the shortcomings go and enjoy yourself. However if you want to get what is advertised for your money

on my experience you will not so steer clear
