The Premises:

Well known location for this hobby in South Kensington. Small flat, but had a double bed.

The Lady:

Pictures a bit photoshopped around the waist. Kim has a nice curvy body, with good large pair of breasts.

The Story:

I liked her pictures. Kim turned out to be not quite as hot as the pictures.

I was welcomed, she is very friendly. We got down to business after a brief chat.

Good owo, no cim. We had sex in missionary with lots of kissing.

I left with a big of time left, but I had a good time.
