The Premises:

Infamous imposing yet uninspiring apartment complex near South Kensington. Room was small but very clean, modern and beautifully lit. I'm a stickler for a nice environment and this got my approval.

The Lady:

Warm, fun, sexy, gorgeous, uber babe

The Story:

I've keen to see Meg for ages. What i didn't realise is how seriously gorgeous she is with a lovely slim, svelte, supple body with curves in all the right place. Speechless!

All the usual formalities, blah, blah, monies, ablutions, blah, blah, chitty-chatty, blah blah, but she's a feisty girl and was keen to get into it. Cue unbridled ravishing and sybaritic sex all over that beautiful apartment. Phew. She's not shy and is wholly encouraging to ensure mass mutual satisfaction ensues. No need for details just know that elation and relief are on the menu.

Meg is not just seriously gorgeous with a fantastic body, she also has a lovely warm, easy going, fun loving nature about her. Swapping stories and jokes after the shenanigans just makes for an all round peak experience.

Super sexy, super cute and super great attitude equals super good time!
