The Premises:

Quiet street off the main road. Carolina's studio apartment is quite surprising: high ceiling, steep wooden staircase up to the bedroom space, but no private bathroom. I had to don a bathrobe and sandals and then scamper back and forth, but it's quite close-by and no-one was around. The bed area is very warm and intimate.

The Lady:

The real Brazilian McCoy! Voluptuous, firm and fit, just like the photos (see the galleries on her website). A couple of tattoos, front and back, quite discreet and pretty. Carolina is all woman. In the past, Brazilian gals I've met have disappointed - skinny, slutty, reeking of fags: not Carolina! She's a dish.

The Story:

Carolina was friendly and welcoming, easy to talk to. I decided not to let the bathroom situation become an issue and boy, was ever a shower both necessary and refreshing (a real hot day in London). Afterwards, climbing the ladder and caressing Carolina's smooth, silky body, I felt re-energised and ready for action. This was a sensual and the steamy gfe. I spent a long time using my hands and tongue, and was rewarded with amazing, tantalizing cowgirl movements before I had to slow things down. Guys, maybe it's better to pop early sometimes, I mean if the lady has moves unlike most others. But I held back for missionary and spooning before letting myself go. We chilled and chatted, another shower and until next time.

The perfect blend of dirty and delicious. A happy hour.
