Friendly receptionist.

The Lady:

BEWARE ... this (so-called 28 yr old) girl is a hoax.

She did not have any other field reports, but based on the decent standard of the other women working at Samantha's I took a chance.

Went to see her on basis of her pictures ...

... which show a tall slim athletic blonde.

REALITY is a flabby tired looking lass who is WELL PAST HER PRIME.

The Story:

Charlie was probably a good looking lass about 15 or 20 years ago (when her photos on Samantha's website were originally taken).

Samantha's is in process of relocating to new premises.

Based on her poor performance today, I would say it's time she retired and found a new job.

I suggest she instead fills her time serving fish and chips or fast food as she would probably be more eager at this kind of work.

Charlie is advertised as ... a Girlfriend Experience ... but again that was pretty far from the truth.

Her opening remark (in response to my request) was:

"No ... I don't kiss ...!!"

Things went downhill from there. Charlie lay on her back like a sack of potatoes ... her complete lack of effort was quite off putting.

I was surprised I even got aroused enough to finally shag her as she was totally unengaging and lay there acting bored from the word go.

Her idea of affection was constantly patting my waist (in a similar way that you would clap your pet

dog or cat) ... !!
... i.e. totally unsexy.

However the saggy tits and her total lack of any enthusiasm just left me feeling cheated and disappointed.
Maybe she has had a rough life where she grew-up in Yorkshire ... but that doesn't excuse her.

So if you are thinking of going to this parlour when they move to their new premises ...
... give Charlie a miss.
