The Premises:

Good place as usual

The Lady:

Very tall, blonde hair...good looking girl

The Story:

A lot of clock watching, I'd only been there 5 mins and told my time is running out??
Everything felt rushed, seemed like she doesn't enjoy her work. Quite a bit of time wasting at the beginning on her part....nothing memorable..

I would not recommend personally, a bad experience, next time will choose wisely and not be disappointed

Service Provider's Rebuttal

The agency writes:

I take every review complaint and negative feedback seriously and ask that you would do the same please. A few facts to consider:

I am currently doing a bit of work around clients not receiving full time in when a client wishes to leave early they are asked by the maids if it is their choice and if they are happy with the service, this did not happen.

Tanya was not working on Thursday 26th June

Tanya is Brunette not blonde at all

Tanya is only 5'5

The above are the facts why I can see there is some mistake that could be very harmful to Tanya's reputation
