### The Premises:

Nice, and very tidy, flat. Easy to reach from the tube. Map-apps are a heaven sent for this directionally-challenged punter...

### The Lady:

Petite super-hot sexyness. Her face is much "softer" (ie: more beautiful) than the pictures, Photoshop should be banned from this biz...

### The Story:

It had been almost 6 months since my last visit to Emma, but she was beaming with joy when she recognized me. Emma is a seriously petite chick. Some sites list her as 5ft4in, but she is definitely not more than 5ft tops. Gorgeous tiny and natural body, which made the shared shower a lot of fun. Great owo in the shower, I had to stop her before I lost control, so we could relocate to her bed. Emma was very cuddly, and hellbent on making my day. Which she did! Great, and long, owo, a cowgirl to rival the best, before a (too) quick doggy ended the sexification. Yes, I'm a one-timer now, I old... A definite recommendation, at least for a wonderful GFE-session, and I regret staying away for so long...
