The Story:

I saw her for dom and she was brilliant, hurt me just a little more than I wanted, spat in my face and humiliated me. I would have loved to have buried my face in her ass or pussy but didn't dare ask, maybe next time. I licked her shoes clean though and then she made me wank and eat my cum. The day before I had seen a pro-domme; this was abetter experience for me as Daniella was energetic, and put a lot of herself into it, unlike the pro! Looking forward to seeing her again.
