The Premises:

Nice apartment in town centre.

The Lady:

Very attractive spanish lady fitting the photos provided on the 'other' website.

The Story:

Paid, and then informed no kissing and a few minutes later no OWO - both of which were listed. A cursory experience followed by a mediocre massage to fill the remaining time. Appreciate that 'services' are down to the ladys own discretion, however really should have been told when sorting the paperwork and felt somewhat scammed. Could have been great instead walked away dissappointed.
