The Premises:

A short walk from Anerley Station, clean and safe basement flat with two bedrooms and shower, a discrete rear entrance for regular clients. Sarah the maid for the day was very welcoming and chatty during the 20 minute wait.

The Lady:

Harlie is gorgeous and has a great personality. About 30 years young, long dark hair, firm body, all over tan and a couple of tasteful tattoos. Photos don't do her justice, she is much better in the flesh. And the best thing is that for the time you spend with her she treats you like you're her boyfriend (if only !!), and not just another customer.

The Story:

I had the house special with assisted shower, it's a great wet and soapy starter, an opportunity to get close with a little OWO too.

Back in the bedroom, after a kiss and cuddle, Harlie said she loved having her clit licked more than anything, so that's where we started. Ten minutes and two genuine orgasms later she was getting too sensitive so time to move on. A bit more OWO then on to the main event – started with her on top, and soon moved on to doggie, her favourite and she duly came again. Final change of position with me on top until I could hold no longer, pulled out and finished on her boobs.

Clean up time followed by another cuddle before it was time to go.

A great session, which I know she enjoyed as much as I did.

Harlie said as I left 'don't be a stranger', meaning come back soon, which I certainly intend to.
