The Story:

This is my 4th appointment with Jazz and every time she delivers.First she met me at the door dressed impeccably as usual and greeted me with a sensous kiss putting me at ease and into a relaxing mood. I took a quick shower and freshened up before moving to the bed were we lay together for a while enjoying a drink and some of our favourite cakes i had brought along. We then began to settle down to what i can only call the most wonderful GFE i have ever had .Jazz you were amazing!!!!!! Thank you. Looking forward to my next appointment with Jasmine with great anticipation .
