The Story:

Agency were very good as I called on the spur of the moment late that night. Gizelle arrived within 20 minutes of booking. She was dressed in a smart sexy grey dress, very business like. After the business part of the meeting was complete, We chatted on the sofa in the hotel room for a while and Gizelle joined me in drinking some champagne. We kissed, great kisser, very good use of tongue and hands on my body. i then undressed her and she undressed me. Moving to the bed Gizelle gave a great blowjob, making good eye contact and really sucking hard. We then moved to a 69 position and she orgasmed after about 10 minutes - no faking - as she was tender and wouldn't let me touch her clit for a few moments after. I then entered her in the standard missionary, she was really tight, hot and wet. fucked in several other positions with real nice conversation and sexy talk throughout. She started sucking me again and finished me off in her mouth. Didn't swallow, let it spill out over her boobs and rubbed my cum in before heading to the bathroom. Super girl with a great personality and some skill in bed.
