Details of Service Provider:

The Premises:

Very nice Flat near to Rail Station

She said Park anywhere but it all looks allocated with warning notices about authorised Parking
Parked anyway as it middle of day and few cars around

The Lady:

Very petite and age of 22 seems pretty close. Not tall about 5' 4" tanned body with small breasts and nipples

Some would say pretty but a bit too much of the China Doll look for me

The Story:

Just read bad_hobbit's review of Vicky and completely agree she should be avoided - complete waste of 30mins and 60.00

She does not provide the GFE that she offers on her profile or much else that her profile states. Agreed to meet her for 30 mins and even after taking a quick shower she used a wipe on my cock and kept using one throughout the oral, deeply unarousing. Her favourite words are "I don't do", and when I said it's on your profile she then denies it's on her profile. She states French Kissing but all I got was one peck with closed lips. Small tits but says nipples very sensitive so limited time there. She takes oral but no finger inside and was completely wooden when I did and not very well shaved which was a little uncomfortable. Sex was uninspired – she could have been a Blow-up Doll and I never got a full erection all the time I was there which is first for me – but no surprise given her attitude. Wouldn't perform oral after I'd taken the condom off in spite of all the wipes. Finally finished off with very poor and limp wristed Handjob – her not me. All in all very mechanical and boring.
