The Premises:

Nice, clean ground floor apartment in a quiet street. A short walk from the tube.

The Lady:

A petite brunette with a pretty face and the most charming body. What lovely breasts! 20, soon 21. Tattoos are few and far between. She said she is Italian, the website says E. European. I asked her to say something in Italian, which she did, I presume, although to me it still sounded eastern. (Shrug)

She has that sort of gypsy vibe, you know, smoky and sexy.

The Story:

Met Dana at her place - took a shower - rampant sex - another shower - exit. That's the short version. When I came back into the bedroom her 'friend' was in there, so a flash of awkwardness dispelled by Dana's laughter. She's pleasant company, speaks English, but not quite on the wavelength. More enthusiastic than some, but as you get older you start to appreciate more subtlety; what Dana can give you is 20 year old adrenaline. Rough owo and a frantic cowgirl, the likes of which I can't ever remember experiencing. Did my best to stay in the game but 40mins later I was back on the street. I wasn't sorry: what i was was sore.

Good option for a gfe.
