### The Premises:

Good standard and quick entry from a main road entrance. Prompt and efficient.

### The Lady:

Very beautiful young lady. Blonde hair, lovely figure and nice smile.

### The Story:

Lovely time spent with Shelley. She is very attentive and is an excellent kisser, could have kissed all night long! She is originally from Latvia.

She offered OWO but I declined and she has excellent skills in every department. We had time to spare at the end so chatted for a while and she is clearly a lovely girl, with pretty features, even has lovely nails!

I look forward to seeing her again.
