The Premises:

Nice apartment in camberley town centre by the atrium. The room was very messy though and it smelled of cheap condoms as well.

The Lady:

Eastern European girl. She definitely isn't 22 as her profile says. She's probably in her late 20s and not as good looking as shown in the pictures.

The Story:

This is my second visit to this brothel. I had seen Sidona before and absolutely loved it. Her service was amazing . That is why I went back to this place again but this was one of my worst experience. She didn't want to kiss at all. I didn't mind too much on that. I had paid £80 for OWO but she said refused to give me a bj without condom and the bj was awful as well. I came in about 15 mins then told her to give me a massage, she said okay and walked out of the room and never came back. 5 minutes later, someone else came to the room and said they are closing. She probably was rushing to go home but the experience for me was terrible. Anyone else seen her? And can you recommend me some nice escorts around camberley/farnborough?
