The Lady:

Michel is the perfect girl next door fuck. Her hair is fantastic, she is not tall, her breasts are small but the smile on her pretty face is fantastic. She was naked very quickly at my request.

The Story:

Michel is a good fuck. Her owo great. I spent the first quarter licking her cunt very sexy, no fingers but my tongue probed and licked. Miched moaned giggled and puched my face into her wet pussy. She returned the action spitting, sucking, licking and rubbing me for the next quarter. On with the condom i was desperate to get in her cunt she rode me vigorously i watched her body ride on my cock. Is there a better way to have lunch, yes off with the condom and a face fuck with my balls being emptied she snowballed me and i was done. We chatted throughout. She is worth every penny. She shares with 2 others.....
