### The Premises:

Cool chick, cool flat & very nice bedroom. Posh area but I don't know about the parking I used the tube.

### The Lady:

Very attractive face, lovely breasts, amazing cleavage & fabulous arse. May be strange thing to say about an escort but one of her greatest attractions was her radiant smile!!

### The Story:

The meeting got off to an excellent start without a hint of seeing an escort. For a long time I've entertained a business woman fantasy and Salma was able to deliver and ensure I arrived at her place supposedly to meet a business partner. She was dressed in a sexy immaculate suit just perfect for the occasion. She looked irresistible in her tight skirt and high heels and soon the skirt rode up to reveal tempting hint of stocking lace top along with the delicate cream coloured lace between the buttons of her blouse. It wasn't long before I found myself concocting excuses to get Salma standing and sitting again... at my laptop so that I can stand beside her and innocently use my spare hand to explore her while she was suitably distracted. After fulfilling my fantasy of exploring under the skirt of a business woman the process took on a different turn of intense escort scenario.

She pulled me from my hard cock to the bedroom and we then, moved into a 69. Having her shaven petite juicy pussy on my face was like winning the lottery. She was very responsive and full of energy and enjoyed "Oral" both ways. Her moaning gave me more of a thrill and turned me on even more. Doggy position got me on the boil as she kept asking me to give it to her and riding me and doing her belly dancing and my hard cock deep inside her was an awesome experience.

Salma is very accomplished and your pleasure is her pleasure. I came 3 times during my time with her. Least to say, 3rd time she teased and played my cock merciless till I exploded on her breasts. Woww... well worth it I stayed extra time!!
