The Premises:

Services apartment block, we all know it well, did the walk of shame across reception. Very clean studio apartment , shower clean , towels clean, the great thing about going here is you know what you are going to get, the apartment are always clean and everything is always fresh, the only downside being is that they are always so hot

The Lady:

Pamela looks like an "unairbrushed" version of her pictures, a very beautiful brunette lady with a very nice figure

The Story:

I wanted to Pamela a short while ago but couldn't so had to make a point of it
She is lovely, a great girl, I have seen loads over the years who just do not have the right attitude well Pamela does.
This lady makes you feel welcome as you walk in the door, it is like nothing is too much trouble and the really nice thing about her is she like to talk, not just time wasting talk but she is interested in finding out about you. I even over stayed my hour by 10 mins
My private time with her was very good, she knows what she is doing and also how to make a man happy by far the best I have seen at Dior and one for my must see again list
