The Premises:

Parking at the rear of premises and then walk around to front door on quite a busy main road. Room was basic but clean.

The Lady:

In her early forties, Nikki is a big busted lady size 12-14. She was dressed in a black basque, stockings and heels. Plenty of outfits are available for Nikki to wear.

The Story:

I've seen Nikki many times before but not been for well over a year. As we grew up in the same town, Nikki was genuinely thrilled that I called her to book an appointment. I arrived at the appointed time, Nikki opened the door and gave me a big hug and kiss. She showed me into the room while we chatted. I enjoy cross dressing and changed into a bra & thong, black holdups and 5 inch heels. A nice lipgloss was applied to my lips. We had a nice kiss standing up, Nikki was feeling my hardening cock. I asked for a nice spank and put my hands on the windowsill and thrust out my bottom. Nikki started slapping my arse cheeks, getting firmer with each slap until she got out the riding crop. This was enjoyable and my arse was getting red.

Nikki decided it was time for her to get me face down on the bed while she got her tongue on my arsehole. She sure has a great tongue and is the Queen of rimming! She was licking my arse out and licking my balls while playing with my hard cock. Nikki asked me to lay on my back and put a condom on her finger and put it up my arse while giving me a delicious blowjob. I could feel her massaging my prostate and it was so nice seeing her take my hard cock deep in her mouth. I had to ask her to stop before I blew my load.

Nikki lay alongside me and sucked on my nipples while I fingered her moist pussy and played with her hardening clit. It was then time for me to go down and lick her clit. After a few minutes of licking, Nikki climaxed and her clit was so sensitive later, making her jump with delight.

I decided that I wouldn't last too long if I fucked her, so I straddled her ample chest and thrust my hard cock in her mouth. She carried on sucking until I blew a heavy load into her mouth. I rolled off and needed a few minutes to recover. In the meantime Nikki was disposing of my spunk into a tissue as she does not swallow.

All in all, it was a great half hour and I will be seeing her again without fail.

We said our Goodbyes at the door with a nice kiss.

If you like rimming or have never tried it, I urge you to see Nikki. You will not be disappointed.
