The Story:

Been a while away from punting - but thought I would pass the half hour before the 5pm kick off and visit MKE as they are back.

Francesca was the only one on the website who jumped out and I was not disappointed! Francesca arrived in the room in a red bra and pantie set with sky high heels and was sweet and pleasant teasing me from the off. No massage straight to it and quite rightly so, she was a super slut and went to town on me! This woman was amazing like a real porn star, at one point she had her legs on my shoulders while I gave her oral and she sucked me off. Then she let me bang her from behind bent over the bed and I was in heaven as she talked filth.

What a lovely naughty, filthy lady - I will be back!
