The Premises:

Cate's place is a lovely modern terraced house in a quiet village near Shrewsbury. The parking is easy to find and inconspicuous. I parked as she told me and then it was a quick 30 or so yards to her door.

The Lady:

Lovely sophisticated lady whose appearance is exactly like her photos.

The Story:

Cate quickly put me at ease as we chatted about a variety of topics. Cate is intoxicating, her body has the most wonderful curves and as we sat and chatted I was somewhat distracted in the loveliest way. She is exactly as described on her website, a really classy lady. What happened next is between me and Cate but I had a wonderful time, unrushed and simply awesome. I left a very happy man with assurances on both sides that a second visit was most welcome and most wanted. Thank you Cate.
