The Premises:

Hilton Milton Keynes. Hotel was my choice. It was a quiet hotel, a bit dated but comfortable rooms and decent breakfast. We checked in together.

The Lady:

Very petite and curvy British Indian lady with long silky black hair. She has been described to me by others as a beautiful looking young lady. I am blind but I have no reason to believe her pictures aren't accurate. She is a genuine lady.

The Story:

Neata is one of the best ladies I have ever met. She was very enthusiastic throughout the long overnight appointment. She fully understood what I expected from the meeting. She was attentive to all my needs. She has a kind and caring personality. It was a wonderful GFE.

Neata was happy to offer all the services listed on her profile. I really do not wish to go into detail about what particular services I enjoyed.

I contacted Neata asking if she was happy to do an overnight meeting as I don't typically like short meets. I like to know the lady better before I get into bed with her. So I suggested a walk and a dinner and then an overnight meeting at a hotel in Milton Keynes. I then had a quick chat with Neata on the phone before booking the hotel. I was going to get to Milton Keynes by train. Neata offered to meet me at the station which was a kind gesture indeed. She was waiting patiently in spite of my train getting delayed. We got into her car and started chatting straight away and established a good rapport. We were comfortable with each other by the time we got to the hotel. After a cup of tea in the room, we headed out to a lovely neighboring village for a romantic dinner at a Thai restaurant. Then we had some real fun back in the hotel room after the dinner. Neata genuinely likes what she is doing and she never hesitated in obliging my requests. A true lady. It was great to go to sleep holding this wonderful lady. In the morning Neata left me after a relaxed breakfast at the hotel. That night was one of the best times in my life. I really like this lady and I am already planning a return visit. Treat her with respect and you will have the best time of your life.
