The Premises:

Sirens, a discrete, low-profile parlour on Derngate, Northampton, close to the theatre of the same name.

The Lady:

Sara is English, about 5 ft. 1 ins., a curvy brunette lady with big 38HH breasts, dress size about 12-14, very welcoming and friendly. Photos accurate and inviting on website.

The Story:

I generally prefer the parlour experience to visiting an Indie since parlours are imo much more reasonably priced. Websites such as Big Tit hut has plenty of busty girls available but often accompanied by prohibitive or inflated prices. But I confess I am finding a distinct shortage of curvy and buxom ladies frequenting parlours, more's the pity, since my preference is for the more busty, voluptuous, and flirty kind of lady, I'm talking FF-cup size and above, and size 10-12, 12-14, or 14-16.

So I'm absolutely delighted that I've discovered the lovely Sara, presently a weekend lady at Sirens parlour in Northampton. Sara is in her late 30s, and she fulfils the role of a more mature, experienced lady. She is vivacious, confident about herself, and exudes warmth, a welcoming smile, friendliness, and always a desire to please. For lovers of a voluptuous form Sara has enviable curves, I would guess a 38 HH bra size, and a curvy bottom, fluctuating between a size 12/14, which is lovely to clasp during an energetic doggy session. Sara is happy and contented with herself, and not shy about her pictures which are available on Siren's website.

Another pleasant side to Sara that I very much like is how obliging she is. She's happy to do most things (within reason) in order to please a man that appreciates her womanly charms, happy to allow e.g. a 'Primecups.com' type finish if that's your thing, or happy to jump in with you for a shared shower afterwards etc.

Sirens is a very reasonably priced parlour, the girls are all nice, very friendly and going rates are on their website. I would also recommend a slightly longer session from time to time with sexy weekend girl Sara to fully savour her delights, like a scrumptious meal she should not be rushed. Like the other girls at Sirens she is also available on other days of the week by appointment. Sara is not at all pushy, and will always treat you like a king, and she deserves to receive her customers

clean and respectful and appreciative, like I am. Sara works mainly on Saturdays and Sundays and a bonus for anyone choosing to visit is that car parking in Northampton is absolutely free on Sundays.

If you are a melons man like I am, a slow, soothing massage, or an energetic adventure with voluptuous Sara at Sirens makes for a perfect afternoon. I'm up for many more regular and frequent visits to Sara. Raunchy sex just does not get any more satisfying than this.
