The Premises:

Discreet location, bedroom was a nice size. A LOT of red in the room (bedspread, etc) smelled pleasant and was very tidy.

The Lady:

Matched the photos perfectly. Around 5 foot 7/5 foot 6. Lovely long hair (although she had it tied up in a cute messy bun). Body was absolutely stunning; if you like asses, she is the one for you! Her face is genuinely beautiful, obviously not shown on the website, but if it was she would be booked permanently! Jawline and lips are model-esque.

The Story:

My second visit to Debbies.

Waited in the kitchen for around 15minutes as she was finishing off. Spoke to thee lady who was taking calls, who I believe is Debbie, and she was friendly and funny. Made my wait pleasant.

Mercedes greeted me and brought me into the room where she explained that it was only her second day on the job. And once we sorted out the numbers, she got to undressing. Her body is amazing; I am a big fan of asses, and she for sure has one that will stick in my memory. She undressed me, gave me a great massage before slowly going down and giving me head. Her blowjobs are firstclass. After a little oral, we got into the sex and to put it bluntly; the girl can really fuck! once we were done, she cleaned me thoroughly and we sat talking for a while before going at it again and the second time was even better. I didn't ask for a GFE, but she actually seemed like she was into the sex and me. If she was playacting then she deserves an Oscar! Would have liked gto have made her orgasm but I guess next week will come soon enough and I will get that chance. Enjoyed it, and would definitely recommend her!
