The Premises:

A discreet apartment in a block in a nice suburb of Birmingham. Plenty of free parking and surprisingly cool given how hot and sunny it was outside. Two showers in the bathroom, and they got well-used!

The Lady:

Emily, Vera and Gina were there, their pics are on the the Lady Marmalade web-site. Emily is tall while Gina and Vera are quite petite, Gina has lots of tattoos. Also there was Keeley who I would describe as an English rose, perhaps not so striking as the others but very pretty and sexy. Lots of variation then, something for everyone. If I had to guess I would say that they were all mid-twenties to just into their thirties but I was too much of a gentleman to ask!

The Story:

I actually did the first and third parties on the day, giving me a few hours to recover in-between - and I needed them - so the cost and time listed are for both together. At both parties the ladies were dressed as sexy secretaries, well skirts at least with sexy lingerie prominent, but the clothes soon came off. I had some fun with all the girls over the four hours, for some reason the penetrative sex was almost entirely with Keeley who I really liked; the way things worked out I was either too excited when with the other girls and had to spunk my load over their gorgeous tits (as you do!) or I wasn't quite ready enough. All the girls could suck you all day long and liked having their pussies licked, I was particularly impressed by Gina - quite rough and hard, which I like - and Keeley who could take my entire length between her lovely lips.

I've been to parties before where there have been long breaks in the action, but these girls were at it for essentially all the time so I certainly got my money's worth. And four spunkings in total over Emily, Gina and Keeley (twice) were certainly well-deserved. Some of the other guys were so horny they were cumming at twice that rate, pretty impressive but it just shows how hard-working the girls were.

In short, a fabulous day, totally knackered me, but excellent fun. The only problem for me is taking time off work to attend them! But if they keep going in Birmingham and/or Bristol then I'm sure I'll go to more.
