The Story:

Very functional visit, got there quick use of the bathroom and into the bedroom. I stripped off got on the bed and she followed suit, nice body kissing followed and out came the wet wipes for the old man even though I had showered less than an hour before. CIM advertised but just at the last minute she pulled off, clean up time and a nice massage followed by Act 2 and again a pull off. I enjoyed the experience, but there was something lacking, perhaps it was a language thing the lady was Hungarian and not a lot of English.
