The Story:

i opted for the oral without, what a choice it was just great that girl can suck cock. we started with a back rub then she asked me to turn over to do the front. she sucked me so good i had to stop her so that i could get to grips with her tits, i had a long and hard suck of them both again and again, her nipples are great and she liked having them sucked. then back to my cock for more sucking. stopped her again and she layed next to me and we had a cuddle. back to my cock for more sucking, i couldn't hold back and came in her mouth, she just kept sucking until i was drained. and she cleaned me you and had one last suck of my cock. a great girl who i must see again. Frankie thank you once again, you are great.xxx
