### The Premises:

Opening day of Annabella's in Fenny Stratford. The place as to be expected is immaculate and the room I was shown too was ensuite. The new location is on a pretty busy road but fortunately you are able to go into the inner door (which shields you from the main road) and then press the buzzer.

### The Lady:

Wow in my eyes Izabela is sexy and beautiful with a great personality to match. The photos are pretty accurate.

### The Story:

It was my first time visiting Izabela and after reading her reviews I decided to book Izabela for 30 minutes. Wow, I am glad i did. On her entering the room she put me at ease straight away with a full on kiss and from there things progressed and i had a fantastic time. Izabela was engaging and her personality was spot on with a mixture of naughtness to flair. The appointment consisted of great GFE and her OWO was good and to say I was blown away is an understatement.

I will definately see Izabela again :)
