The Premises:

Convenient central location . Went by taxi did not use parking. Cozy and smart apartment with clean bathroom/ shower facilities. She had a good selection of men`s toiletries available.

The Lady:

Very sexy and attractive. She is surprisingly much better looking than her photos! A great ass and natural DD firm tits... wow!!

The Story:

I had an awesome experience with Salma. She made me feel like a lover she had not seen in awhile yearning to fuck my brains out. This girl can really suck dick.. and I mean really suck dick !! She has a tight pussy and had some exceptional moves with my dick deep inside her. And that ass.. just cant say enough about it. I played with it like a kid in a toy store who just did not want to quit.

Salma has a delightful personality. She was great company and next time I am in London I will definitely have her for the night.
