The Story:

well i was very impressed with marissa she looked so fine in her heels and little panties i just had to rub my chappy all over her ass for a while and then the fun began a bit of a shock as i said 69 and she said no no and i was like what and i then said ok well let me just eat your sweet pussy and she said o yes yes and sat on my face ok very nice and i said can you turn around and she did so and what do you know we began to 69 for about 10or 15 minutes you see marissa has only been in the uk for a week and with her english and my spanish we managed just fine we just had a small translation problem, now after she came in my mouth i wanted some doggystyle so on with the condom and wow just beutifull tight pussy and her sweet sweet ass o my god i could not hold on for as long as i wanted and was soon pumping into her, i thought i would last longer as i only just pumped a nice load over sorayas ass on saturday but it was a great punt and marissa is a fun girl to be with as im not to worried about her level of english i just want to have fun with her and plan to return soon wet kisses to you baby andy.
