The Premises:

Nice small room with a bouncy, creaky bed which I like. Girls running around from room to room in lingerie and sometimes even bare naked. What a place this is. I only wish I could line them all up and spank every one of them.

The Lady:

100% Pornstar material

The Story:

I did not know what to expect when I walked in. I did make a booking prior to arriving at the venue w/ Maggie. When she walked w/ a drink for me all my worries / doubts were over. Once the paperwork was taken care of she made me feel at ease. Talking to me and asking me what I wanted from her. Let's say she fulfilled my requests upto 95% (She did not do COF).

She has the perfect set of tits that I have ever seen, I did ask her if they were real, she made me feel them up to check. They weren't but they felt and tasted divine. Maggie is a true pornstar in looks and skill. Her BJ talent is mad, esp. when she moans while sucking, how can anyone resist that. Noticing our reflections in the mirror she was kneeling before me. What a sight. Didn't take long for me to blow all over her tits. Might have been too much for her as she asked me what do I feed my thing. She cleaned up and got right down to more BJ as I was still hard, this time in bed. This time it was more intense as she deep-throated me on several occasions. Never thought she could take it all in. We moved to 69 and she sucked and deep-throated more and I couldn't hold on more, blowing my second load right in her mouth. BTW her pussy tastes so good.

Later she massaged me and we talked all kinds of shit. She's a good conversationalist. But later I wanted less talky talky more naughty business. The first and only condom came on and 20 mins of savage sex. Cowgirl, Doggie and Missionary all with thumping and squeaking bed noises. It's like I was in sex heaven with the Goddess of Pleasure.
