### The Premises:

Familiar terraced town house across the road from the shopping centre

### The Lady:

As described on the website, she is that to the letter T.

### The Story:

I stopped by here briefly for a change. Initially, things went well with a brief chat on the bed then things went downhill. She does this to make ends meet, nothing more nothing less.

The experience isn't much to write home about, BJ followed by foreplay which she wasn't all that up for, hesitation all the way through. Then sex in the CB position which was brief, more BJ followed by hand job and massage. She was keen to finish and wasn't happy with me sticking around.

The upside of the visit was I was allowed the full 30 mins.
