### The Premises:

Nice clean and tidy. Easy and cheap parking

### The Lady:

The photos are not particularly good so I cannot say if she matched them as they gave little away. Otherwise as described although her bust size is never E and I would guess more at 36 D. Lovely dark complexion and long dark hair.

### The Story:

I would say they normally lie about the girl's age but not in this case. It does say that Dawn is new to the industry and this showed. She is happy to do anything (within reason) what you want but you do have to direct her rather than her taking the lead and she does want to please you. If it is the GFE you want she is definitely not the girl at the moment. If you want someone who will do as you ask definitely the one. A very enjoyable experience although not in the normal way.
