### The Story:

Its been quite a while since I had a punt but it was so easy to get straight back into the action with Lilli! She was friendly and appeared to be pretty horny from the moment she arrived. She was very welcoming and made me feel at ease within seconds, though I pretended to be shy as a precaution at first ;) Treated to some initially gentle OWO and quite responsive kissing. She had a very nice fanny, but does not like being licked or fingered inside[which was a real shame], though she did allow me to play with it while she sucked me in side by side 69. Sex wise, she got on top to start which I enjoyed, but the missionary was excellent and it wasn't too long before I wanted to shoot so I withdrew and requested to be finished off by hand and mouth so she ended up with a large amount of cum in her mouth which was very appreciated by me. I really enjoyed this punt though some of her verbal overacting was totally unnecessary, as she is perfectly capable of pleasing without any dressed up effort. Well worth a visit if you like horny chatty girls who care about making sure you leave happy - and I did :) Thanks X
